

Kid Pinky is a four-piece blues band from New Hampshire that is a throwback to the future. While paying homage to the blues from the 40s and 50s, as well as New Orleans jazz and funk, the band has conceived an all-original and innovative repertoire resulting in an entirely unique musical adventure. In presentation, a warm audience rapport and comfortable volume levels always create an intimacy that feels like a private performance in your own living room. Don't delay.
